

NASBS VIDEO PREPARATION

1. QUALITY:

- Video submissions must be of good quality and submitted in final form.

2. FORMATTING:

- All Videos MUST be submitted digitally in accordance with the Digital Guidelines below.
- No 3D videos will be accepted

ACCEPTABLE FORMATS: (PLAYABLE ON WINDOWS PC)

- MPEG
- Quicktime
- MP4
- H.264
- AVI

ACCEPTABLE FRAME SIZE:

- No smaller than 640 x 480

ACCEPTABLE FILE SIZE:

- MUST be less than 1 GB

3. RUN TIME:

- Maximum running time is six (6) minutes. You must submit a video no longer than 6 minutes.

4. NARRATION:

- Videos must have narration in English. Without narration, it will not be considered.

5. MORE IMPORTANT RULES:

- A short (75-word maximum) written description of your video should be included when submitting your video abstract. Images and tables **should not** be included in the short written description when submitting a video abstract.
- Your video should not contain any reference to the authors or the institution in the video and does not list authors or institutions on the title slide to allow for blinded review.
- The video must be structured with a brief narrated slide show (no more than 3 slides) of the relevant clinical information, preoperative clinical imaging, a step-by-step narrated surgical video with the most important technical aspects of the case and post-operative imaging if relevant.
- Videos may not include advertisement or promotion of products. Commercial support may be noted as a credit at the end of the video.
- The designated presenter of the video selected must register for the meeting and attend for presentation and discussion.
- Please **DO NOT** include any music and **DO NOT** include video clips or other materials/media copyrighted by any entity other than yourself. For example, please do not include classical music from a CD in your collection.
- **No 3D videos will be accepted**

6. SUBMISSION:

- Video Abstract Summaries must be submitted online at www.nasbs.org/future_meetings/abstracts.
- Videos can be uploaded during the Final Review stage of the Abstract Submission by clicking on the link entitled “**Click here if you would like to include a video for this abstract**”
